Who we are

Student Leadership Development at Baylor seeks to embolden students toward cultivating the habits and virtues necessary to faithfully and authentically lead for the common good.

Summary

Supervisor: Assistant Director for Student Leadership Education

The Graduate Apprentice for Student Leadership Development furthers the vision of the Student Life by working alongside staff from each department to cultivate meaningful leadership experiences that are transformational and animated by a common set of outcomes through a shared leadership framework.

This position allows the graduate apprentice to work with and gain perspective from students and professionals representing a large variety of areas across the institution.

What you will do

Support the Assistant Director in developing and advancing student leadership development initiatives, to include: live training sessions, assessment implementation, leadership resource curation, and research

Coordinate Student Leadership events and programs in partnership with area staff

Serve as staff liaison and advisor for Alpha Lambda Delta undergraduate honor society

Assist in administration, evaluation, and data collection in support of student funding and support programs

Plan and coordinate activities and promotional opportunities for Student Affairs Professionals Month

Serve as teaching assistant for departmental courses as assigned

Collaborate with Assistant Director to coordinate public relations, print, and digital publications, social media, storytelling, website management, and Student Leadership promotion at various institutional and divisional events

Participate in, lead, and contribute to weekly staff meetings

Represent Student Leadership area at institutional events and within committees as assigned (i.e. admissions events, orientation, conferences, Excellence in Student Leadership Celebration, Baylor Leadership Summit)

Maintain regular and punctual attendance and perform all other duties as assigned
